

Bioscience Association Manitoba

MEMBERSHIP APPLICATION

MEMBERSHIP CATEGORY

Business/Industry: Membership shall be limited to companies or individuals that are engaged in the research, development, manufacture, supply or sale of products, processes, or services, which are based on or provide support to the biosciences industry.

Associate: Membership shall be limited to persons or organizations devoted to the promotion of a cause or program, especially one of a public, educational, or charitable character, such as post-secondary institutions, teaching hospitals, research institutes and other not-for-profit agencies.

All the employees of business/industry members or associate members are eligible to participate in the Association training programs and industry events.

Business/Industry VOTING MEMBER	Representatives from business/ industry members may seek BAM Board of Directors nominations and have voting privileges at the BAM Annual General Meeting. Membership fees are determined by the number of employees and/ or revenue.
Associate NON-VOTING MEMBER	Not entitled to receive notice of, attend, or vote at any member meetings. The Board may extend an invitation to representatives of Associate members to join the Board as a voting member to better reflect the community.
Student NON-VOTING MEMBER	All students or post-doc fellows enrolled at an educational/ research institution are eligible to participate in the Association training programs and selected industry events.

Membership – Effective April 1 to March 31 (please select):
